Caring for our Rhode Island Community since 1866

Greetings Friends of Child & Family,

On behalf of the Board of Directors, staff, volunteers and those we serve, thank you for your support. With your help, we will continue to be courageous advocates while keeping our eye on the impact that we have in the communities we serve.

We are proud to work with such resilient families, strong seniors and amazing youth. We are especially proud of expanding foster care as an alternative to group homes, establishing prevention alternatives and supporting youth aging out of foster care and congregate care via our independent living program.

Best,

Marty Sinnott  
President & CEO

## ABOUT CHILD & FAMILY

Child & Family supports resilient families, vulnerable children, and elders throughout Rhode Island. Family Preservation is an important goal of every program and service we provide.

We believe that individuals and communities thrive when supported by strong families, and that a community works best when it accepts responsibility for all of its members.

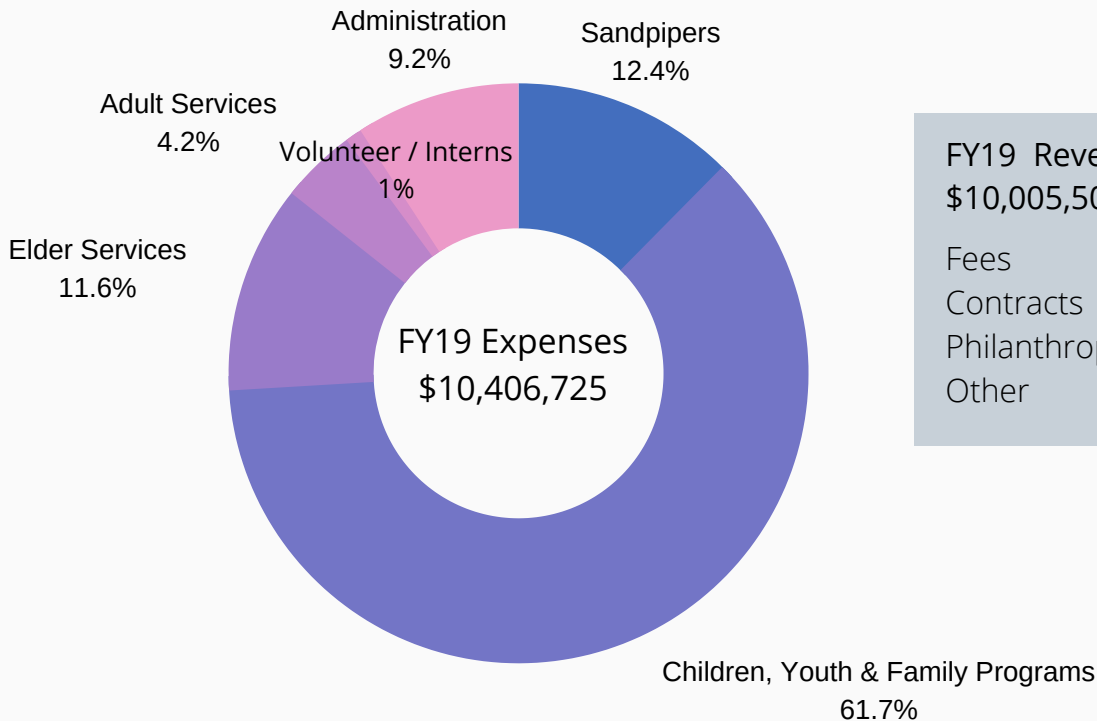

As one of the largest social service agencies in RI, we operate community engagement centers in Providence and Middletown. Our home-based and community-based programs bring services to individuals and families across RI.
